Glass Fillers

Durable, Reliable, and Convenient

The newest addition to our line of high-quality food service products.

A whole new level of durability, reliability, and convenience.

The new **312-ABCP** and **712-ABCP** are designed for applications that require a stylish, durable, and reliable glass filler in an economical package. Both models meet and are certified to current state laws for the reduction of lead in plumbing products, as well as the forthcoming 2014 federal lead reduction law. Here are just a few of the benefits you'll get when you specify and install these new glass fillers:

- **Flexible** – single-hole deck- or wall-mount models available
- **Durable** – chrome-plated, solid brass body and heavy-duty metal lever with rubberized coating to protect fine glassware
- **Reliable** – all-brass piston valve with easy access for simple maintenance; flow volume adjustment fine tunes flow for varying water pressures
- **Easy to Install** – one-piece riser/shank includes a standard 1/2" NPSM thread; deck flange threads onto inlet shank for secure placement; all mounting hardware is included

New Chicago Faucet Glass Fillers		
312-ABCP	Wall Mounted Glass Filler	\$117.00
712-ABCP	Deck Mounted Glass Filler	\$172.20
