Ligature Resistant Products

New Solutions For Behavioral and Healthcare Applications

Designed to help create a safer environment, Chicago Faucets ligature resistant products deliver durable, long lasting, solid brass construction and scald protection to provide a safe, solid solution in high-risk areas.

Ligature Resistant Shower System

Chicago Faucets offers a complete, ADA-compliant shower solution featuring a shower valve with scald protection with a ligature resistant shower handle, escutcheon and shower head.

Ligature Resistant Shower Head*

- Sloped, low profile design with no shower arm
- Anchored to wall with four tamper resistant screws
- Chrome plated, solid brass spray body
- Spray angle is adjustable 25° – 30°
- 2.5 GPM flow rate

Ligature Resistant Shower Trim*

- Rounded, sloped design minimizes ligature points
- Tamper resistant screws
- Solid brass construction to withstand abuse

High-Performance Shower Valve

- Thermostatic/pressure balancing valve
- Provides extra protection by constantly monitoring both the water temperature and pressure

ELR Series Ligature Resistant Touch Free Faucet

The ELR combines the added safety of ligature resistance and touch-free operation with the durability of a heavy-duty, one-piece cast brass body.* Power options and mixing – including integrated scald protection – are concealed in a secure, compact control box. Available with optional cover plate for installations on 8" centers.

The ELR Series*

Ligature Resistant

Rounded and sloped design to minimize ligature points.

Durable Construction

Heavy-duty, one-piece cast brass body with recessed vandal resistant outlet to withstand abuse and tampering.

Secure, Compact Control Box

Conceals and secures power, solenoid, mixing valve, and supply.

Added Safety

Available with integral ASSE 1070 compliant thermostatic mixing valve to help prevent scalding.

Optional Commander™ handheld programming unit maintains and monitors your faucets.

- Five Running Modes
- Hygiene Flush
- Track Usage

DISCLAIMER

*This product, when installed in accordance with the Installation Instructions, is designed to decrease the probability that it may be utilized as an apparatus for ligature. Chicago Faucets does not represent or warrant that this product is able to prevent death or injury, or resist all ligature attachment, and this product is not a substitute for the proper evaluation, treatment and supervision of persons at risk of suicide. Chicago Faucets makes no express or implied warranties regarding the ability of the product to prevent death or injury or resist all ligature attachment.
