Touchless Faucets
E80-A11E-17ABCPT

CHICAGO FAUCETS
Geberit Group

Product Type

Advanced electronic commercial faucet with touchless sensor operation and ASSE 1070 scald protection

Features & Specifications

- Includes built-in ASSE 1070 thermostatic mixing valve (US Patent No. 11,697,929).
- 10 second run time with hand presence. Safety auto-timeout feature will shut the water off after 10 seconds. Reactivate faucet by removing hands from the sensor for at least 1 second.
- Built-in Bluetooth® technology allows for easy adjustments and mode changes using a smartphone or tablet with the Chicago Faucets CF Connect App.
- Internal Antenna Specifications: Peak Gain of the antenna: –1.7dBi, Frequency range: 2400-2500 MHz, FCC ID: 2APTX-CFC02
- Single-hole
- Vandal Proof Pressure compensating laminar flow outlet, 1.0 GPM
- E-Tronic® 80 module with Bluetooth® communication
- ECAST® design provides durable cast brass construction with total lead content equal to or less than 0.25% by weighted average
- Complies with the requirements of the Buy American Act of 1933.

Performance Specification

- Rated Operating Pressure: Operating static pressure: 20-125 PSI (138-862 kPa). Minimum static pressure for mixing 30 PSI (207 kPa). Maximum pressure differential between hot and cold water supplies: 20% x000D__x000D_ WARNING! Water temperatures in excess of 110°F (43°C) are dangerous and may cause scalding, severe injury or death! This fitting is NOT factory preset and can be adjusted to deliver water at temperatures exceeding 110°F (43°C).
- Rated Operating Temperature: Cold water inlet temperature range: 39-80°F (4-27°C). Hot water inlet temperature range: 100-180°F (38-82°C). Mixed water temperature range: up to 180°F (82°C). Adjustable temperature control. Accurate within +/- 3°F (1.7°C). Minimum flow rate for proper functioning of thermostatic protection: 0.35 GPM (1.3 LPM). Minimum inlet water supply temperature differential: 20°F (9°C).

Warranty

- 3-Year Limited Electronics and Solenoid Warranty
- Lifetime Limited Faucet Warranty
- 1-Year Limited Finish Warranty
- 5-Year Limited Mechanical Warranty

Codes & Standards

- ASME A112.18.1/CSA B125.1
- ADA ANSI/ICC A117.1
- Certified to ASSE 1070 / ASME A112.1070 / CSA B125.70
- NSF/ANSI/CAN 61: Q ≤ 1
- NSF/ANSI/CAN 372 Low Lead Content
- Certified to WaterSense by ICC-ES

CHICAGO FAUCETS
Geberit Group

Architect/Engineer Specification

Chicago Faucets No. E80-A11E-17ABCPT, E-Tronic® 80 faucet with dual-beam infrared sensor. Contemporary-style integral spout, chrome plated. Single-hole deck mount. 1.0 GPM (3.8 L/min) vandal-proof, pressure compensating, Econo-Flo, laminar flow. Dual supply for hot and cold water service. 6-volt lithium CRP2 battery included. Flexible supply hoses included. Includes optional user-adjustable temperature control. Pre-assembled with concealed internal thermostatic mixing valve (US Patent No. 11,697,929). Multiple field-adjustable modes and ranges. Built-in Bluetooth® technology allows for easy adjustments and mode changes using a smartphone or tablet with the Chicago Faucets CF Connect App. ECAST® construction with less than 0.25% lead content by weighted average. CALGreen compliant. This product meets ADA ANSI/ICC A117.1 requirements and is tested and certified to industry standards: ASME A112.18.1/CSA B125.1, Certified to NSF/ANSI 61, Section 9, ASSE 1070, California Health and Safety Code 116875 (AB1953-2006), Vermont Bill S.152, NSF/ANSI 372 Low Lead Content, and California Green Building Standards Code (CALGreen).

Operation and Maintenance

Installation should be in accordance with local plumbing codes. Flush all pipes thoroughly before installation. After installation, remove spout outlet or flow control and flush faucet thoroughly to clear any debris. Care should be taken when cleaning the product. Do not use abrasive cleaners, chemicals or solvents as they can result in surface damage. Use mild soap and warm water for cleaning and protecting the life of Chicago Faucet products. For specific operation and maintenance refer to the installation instructions and repair parts documents that are located at www.chicagofaucets.com.

Chicago Faucets, member of the Geberit Group, is the leading brand of commercial faucets and fittings in the United States, offering a complete range of products for schools, laboratories, hospitals, office buildings, food service, airports and sport facilities. Call 1.800.TECTRUE or 1.847.803.5000 Option 1 for installation or other technical assistance.
