LWM11-A44-G

Architect/Engineer Specification

Chicago Faucets No. LWM11-A44-G, Sink Faucet for hot and cold water, with vacuum breaker, single-hole, vandal-proof deck mount, chrome plated. Rigid gooseneck spout with atmospheric vacuum breaker, 6" center-to-center. 2-3/8" metal, vandal-proof, lever handles with sixteen-point, tapered broach and secured blue and red index buttons. Quaturn® rebuildable compression cartridge, opens and closes 90°, closes with water pressure, features square, tapered stem. Flexible supply hoses with 3/8" compression fitting. All threaded connections factory assembled. Anti-rotational deck pin in faucet body prevents turning. NOTE: Atmospheric vacuum breaker is NOT intended for continuous pressure applications. ECAST® construction with less than 0.25% lead content by weighted average. This product meets ADA ANSI/ICC A117.1 requirements and is tested and certified to industry standards: ASME A112.18.1/CSA B125.1, and Certified to NSF/ANSI 61, Section 9.

Operation and Maintenance

Installation should be in accordance with local plumbing codes. Flush all pipes thoroughly before installation. After installation, remove spout outlet or flow control and flush faucet thoroughly to clear any debris. Care should be taken when cleaning the product. Do not use abrasive cleaners, chemicals or solvents as they can result in surface damage. Use mild soap and warm water for cleaning and protecting the life of Chicago Faucet products. For specific operation and maintenance refer to the installation instructions and repair parts documents that are located at www.chicagofaucets.com.

Chicago Faucets, member of the Geberit Group, is the leading brand of commercial faucets and fittings in the United States, offering a complete range of products for schools, laboratories, hospitals, office buildings, food service, airports and sport facilities. Call 1.800.TECTRUE or 1.847.803.5000 Option 1 for installation or other technical assistance.
